What I am agreeing to

1. **I know what I am signing up for**
   This is a group trip with travel by road or air, border crossings, water, wildlife and nightlife. I accept the ordinary risks that come with it and I take part of my own free will.

2. **I am fit to travel, and I have declared what matters**
   I have declared above any medical condition, allergy, disability, pregnancy or medication that could affect me on this trip, and I am fit to take part. I carry my own medication and enough of it. If I have not declared something, Outjoyment cannot plan around it and is not responsible for what follows. I authorise Outjoyment to arrange emergency medical treatment if I cannot consent at the time, and I accept that the cost of any treatment, hospital stay or evacuation is mine.

3. **Missed flights and missed departures are on me**
   Boarding times are given in advance and confirmed in the group chat. Getting to the departure point, the airport or the bus on time is my responsibility. **Outjoyment is not liable for any flight, bus, transfer, connection or departure I miss** — for any reason, including traffic, airline delays, border queues or incomplete documents. The group leaves on schedule. If I miss it, no refund is due and the cost of catching up is mine.

4. **No firearms, no drugs, nothing illegal — ever**
   I will not travel with firearms, ammunition, drugs or any illegal, dangerous or controlled substance. I understand this is a serious criminal offence in every country on this route and that the penalties are severe, including long prison sentences. I will not carry anything across a border for anyone else, and I will not accept a package or bag from another person. What is in my luggage is mine alone. **If I am searched, fined, detained, arrested or prosecuted by police, immigration, customs or any other authority, that is between me and that authority** — Outjoyment is not liable for it or for anything that follows, the trip continues without me, and no refund is due. Outjoyment will, where reasonable and safe, notify my emergency contact and point me to consular assistance.

5. **Photos and video from the trip can be used**
   Outjoyment, and photographers it appoints, may take photos and video on this trip which include me. **I consent to those images being used in Outjoyment's marketing and advertising** — website, social media, flyers and anything else — with no fee due to me. If I would rather not appear I will tell the team before or during the trip and they will do their best to accommodate it.

6. **Behaviour, and the people we book through**
   Outjoyment may refuse or remove, without refund, any guest whose behaviour endangers the safety or enjoyment of others. Parts of this trip are run by third parties — lodges, transporters and activity operators — chosen with care but not controlled by Outjoyment. Travel insurance is strongly recommended and is not included.

7. **Money, and the law that applies**
   Deposits and payments are handled under Outjoyment's published terms and conditions, which include your cancellation rights under the Consumer Protection Act [Chapter 14:44]. This waiver is read together with those terms and is governed by the law of Zimbabwe. Nothing here removes a right the law gives me.

> I have read this waiver, I understand it, and I sign it freely. I confirm I am 18 or older, or that a parent or guardian has signed for me below.
